

An immersive Team Building experience on a TV Stage

**Boosting Your Team's Public Speaking Skills While Creating Video
Content!**

Reveal your team's voice and image,
create your video capsule on a professional audiovisual set in Geneva.

**Knowing how to express yourself means
knowing how to make an impact.**

Our Promise:

**A 90-second professional video capsule per participant or
team.**

Filmed on a real TV set

Ideal for promoting employees AND the company's image while strengthening Personal & Corporate Branding.

Vocal coaching, pitching and stage presence | Video edited and ready to broadcast on LinkedIn, intranet, corporate website.

Why this Team Building Formula?

Combine business with pleasure!

Work on your team cohesion while challenging your teams in front of a camera.

This Team Building program offers:

A unique and powerful experience that strengthens team cohesion.

A concrete deliverable with high added value.

Strengthening Your employer Brand.

Who, what, where?

FOR WHOM?

Project teams, managers, salespeople, experts, internal ambassadors.

All teams wishing to develop their cohesion, anyone wishing to develop their communication in public or in front of a camera.

WHAT ?

An immersive day on an audiovisual set, supervised by 3 coaches + 1 audiovisual director.

Voice, posture, pitch + professional filming of a 90-second video per participant.

Team cohesion, stress management, building self-confidence.

WHERE ?

OmegaStudios Geneva, a 140m2 dedicated professional space, equipped with an audiovisual stage.

Schedule of an Immersive Day

Mastery of voice, breathing and stage presence is combined with the pleasure of expressing oneself.

Morning

- Voice and body warm-up, group cohesion exercises
- Familiarization with the theme of public speaking
- Breathing, intention, posture (group and individual work)
- Individual preparation of the pitch (text provided by each participant)

Catering included.

Optional lunch on request prepared by our chef served in our lounge area

Afternoon

- Stage & Camera Coaching
- Filming of individual capsules (personalized live feedback)

Bonus: possibility of adding a collective video for team communication

The benefits for your Teams

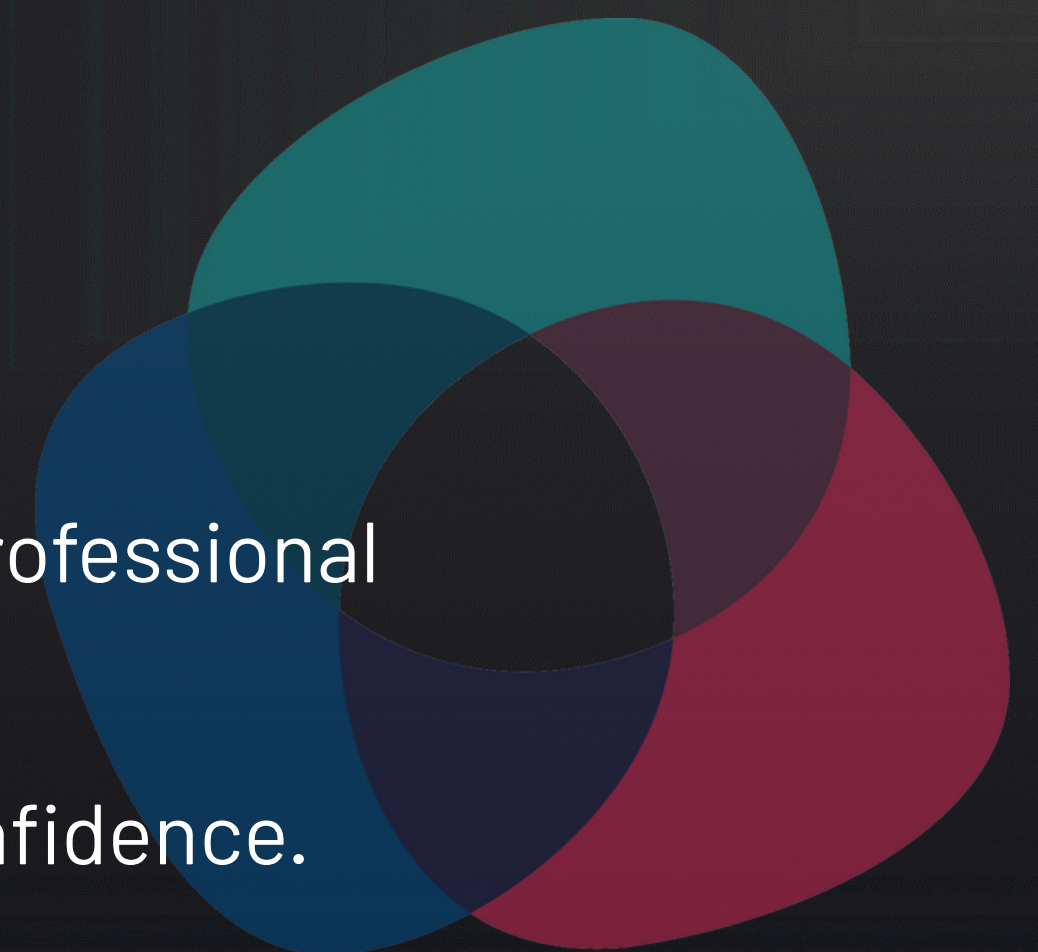

An immediate boost to team cohesion and motivation.

Leadership reinforced by a more impactful voice adapted to professional situations.

A posture and stage presence that captivates and inspires confidence.

A video capsule ready to broadcast for each employee or team.

Better stress management to express themselves with ease and pleasure.

The management team

Drawn from the worlds of opera, product design, theatre, and audiovisual arts...

Our Sets

A realistic immersion

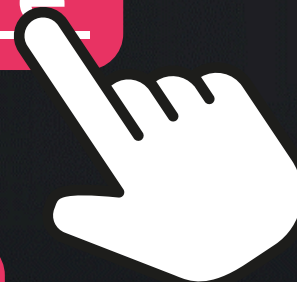

In the conditions of a real filming or public intervention, with the "And..Action!" effect, the cameras, and the performance atmosphere.

Get used to the pressure and reduce live stress.

Practicing on an audiovisual set is not just training,
It's an immersive experience
which transforms the way we communicate and guarantees authentic and impactful performances.
